

SOUTH BERWYN EDUCATION FOUNDATION

3401 S. GUNDERSON

BERWYN, IL 60402

The South Berwyn Education Foundation (SBEF) would like to endorse and recommend the Kelly Miller Circus for your organization's next fundraising event.

Our Education Foundation raises funds to benefit and enhance the Berwyn School District 100 students and staff. The Kelly Miller Circus has provided our Foundation the opportunity to achieve this goal through its easy, organized and entertaining Circus. The SBEF has held the Circus at one of our local parks in Berwyn for the last three years. We have had very successful and profitable outcomes these past years.

The Circus employees are caring and informative to work with while planning the event.

The day of the Circus, all the employees are attentive, respectful and very friendly to our students, parents and guests. Our community appreciates being able to attend a real, live circus in its own "backyard". Attendance numbers for the circus have always exceeded our goals.

The SBEF is continuing our relationship with the Kelly Miller Circus and will be scheduling the Circus for the fourth year in a row, for the fall of 2010. We hope your organization will plan on contacting the Circus and have the same positive results we have experienced.

Please feel free to contact Dan Lane, SBEF President, for further information and comments.

Sincerely,

The South Berwyn Education Foundation

Dan Lane – 708-795-2300, ex. 4040
