Dear Kelly/Miller Circus:

We are writing to say what another successful circus here at the Massillon Knights of Columbus back on Thursday, July 29, 2010.

The community was elated again that the circus was in town, and everyone truly enjoyed the professional performers and their acts.

The Knights of Columbus received a National Award for the 2009-2010 Circus, naming them 3rd place for an International Service Project.

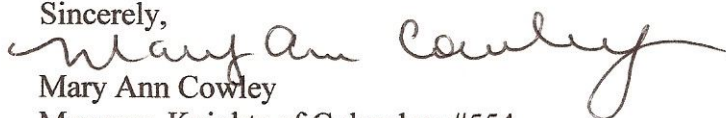

The Circus is definitely a Family "Affair." With people so very busy these days with their jobs and school, it's a nice diversity for families to spend quality time together.

We, here at the Knights of Columbus, highly recommend the Kelly/Miller Circus to come to your community and put on a fantastic show. They are highly trained professionals and very entertaining.

The clean-up hasn't been a problem either year they have been here. In fact you would never know they were here, the next day, they leave things the way they found them.

If you are thinking of having a circus come to your town, you will be thrilled with Kelly/Miller, they are a first class operation.

Sincerely,

Mary Ann Cowley
Manager, Knights of Columbus #554
